## PRINTS

### Digital

Digital prints will be sent to each individual after their picture is taken. Once the memory has been captured, the individual can access and download their digital print at their convenience. **These are included in each package.**

### Physical

Physical copies are an optional add-on. With the help of an attendant, each picture will be printed out and given to individuals. Digital pictures will still be sent to each individual. **The addition of physical copies are \$50.**

### Photo Album

For an added fee, an attendant will remain with the photobooth to print out physical copies and place them into a customized photo album. We will work on the album throughout the event using pictures taken by attendees. Your time capsule will be ready for you to take home at the end of your event. **This option is an additional \$150.**
